

TSHISEVHE C&I ENERGY

Photovoltaic support system installation company

Overview

We design, build, and support solar and storage systems for commercial, industrial, public sector, new construction, and retrofit clients across California. Luminalt is a locally owned solar and energy storage installation company, founded in San Francisco in 2004 by wife and husband team Jeanine and Noel Cotter. The ConsumerAffairs Research Team compared popular solar companies on ratings and reviews, equipment options, warranties, availability and other factors to select the top picks for this guide. Our picks may be Authorized Partners that compensate us — this does not affect our evaluations but may. Many people around the country are choosing to invest in solar technology for their homes. Compare multiple offers and save up to 20% The data on this.
